AMENDMENT

Sir:

In response to the Office Action mailed September 14, 2004, please consider the remarks set forth herein.

The Office Action was made Final. However, all rejections in the Action are new grounds based upon a primary reference first cited in this Action, to which Applicants have not had an opportunity to respond. The Action contends that the new grounds were necessitated by Applicants' prior Amendment. However, it is believed that the prior Amendment mainly served to incorporate features of the dependent claims into the independent claims, and did not raise new issues necessitating new grounds. Therefore, it

is respectfully requested that the finality of the Office Action be withdrawn, to allow Applicants an opportunity to respond firstly and fully to the newly cited reference.
